REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest a multi-stage push operating switch device including a holder; printed board having a fixed contact; first and second rubber switches having domes with movable contacts; a slider provided with actuating portions for pressing the domes of the switches; a plate spring mounted in a fixed manner onto the holder; a coil spring spacing the slider away from the printed board; engagement sections for giving click feelings, which are provided on the plate spring; engagements sections engaging the engagement section on the plate spring, which are provided on the side surfaces of the slider; and a pressing force absorbing section provided on the first rubber switch to absorb a pressing force from the slider.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A. Friedhofer whose telephone number is 703-308-3304. The examiner can normally be reached on Mon-Fri 6:00 - 2:30.
